

# American Church in Paris Wedding

Get married or renew your vows  
in the beautiful American Church in Paris.

## The Package

### American Church in Paris

This impressive church is in central Paris close to the Eiffel Tower and privatized for 2 hours exclusively for your ceremony.

Ideal for a couple only or larger ceremonies with lots of guests.

*"I never thought having a wedding would be so easy!" - Karol & Jordan*

## Christian Blessing Ceremony

Your wedding or vow renewal ceremony is officiated by an English-speaking pastor.

Your pastor will write to you directly and include a copy of the classic service. Some personalization is possible.

"We didn't customize our ceremony at all, though it was an option, because her pre-made version was so perfect." - Ashley & Justin

## Personal Vows

To make it special, we encourage you to write your own heartfelt vows.

Your ceremony may include sharing of personal vows, the lighting of a unity candle and live organ music.

Your personal planner can even help you with great tips and vow examples.

## Souvenir Certificate

You take away a beautiful souvenir certificate as a memento of the day.

## Symbolic Ceremony

It's important that you understand our ceremonies are symbolic, not legally recognised.

The American Church requires you should have a civil registration in your own country prior to your wedding blessing in Paris.

## Ceremony Photos

Your professional photographer captures all the romance of your ceremony.

## Couples Paris Photo-Tour

Following your ceremony, you're taken on an amazing chauffeur driven photo-tour which lasts around 2 hours.

You'll be photographed at romantic locations and landmarks.

**"Pierre took our awesome pictures and captured our once in a lifetime experience that we'll treasure forever." - Dalia & Jesse**

A few social-media-friendly images are available within 24 hours for family and friends, with a further 120+ lightly retouched high definition photos ready to download within 4-6 weeks.

## Luxury Car & Chauffeur

Your friendly English-speaking chauffeur collects you from your central Paris hotel or apartment in a luxury Mercedes car to escort you to your ceremony.

At the end of your photo-tour you are dropped-off at a central Paris location of your choice.

## Accessorize

You may also like to accessorize your package with add-ons like flowers, hair and makeup, video, classic cars and much more... Once you have saved the date, your personal planner will be in touch to start your exciting planning process and see what add-ons you may want.
